CHRISTMAS

Thank you for your order!

We hope you enjoy making your Christmas gnome sign!

Step 1: Paint/stain the base and layers of each piece of the sign and allow to dry fully. Guidelines have been etched on the gnomes for ease of painting.

Step 2: Apply a light amount of glue to the back of the gnome outlines and affix to the solid gnomes. Allow to dry

Step 3: Apply glue to the back of the Merry Christmas letters and solid gnomes and affix to the base.

Step 4: Lay flat and allow to dry for 24 hours

Step 5: Attach a ribbon for hanging through the slot provided.

Voila! You are done and have a custom Christmas sign!
